

Wipe Warmer Dual

Insulated container warms wipes from the top down. This insures that you warm the wipes that you use. This unique construction also helps prevent the browning and drying out of wipes. Re-enforced top designed for "Original" and new "Pop-Up" style wipes. Holds over 80+ baby wipes. Low voltage for added safety. Best of all-no hidden charges like expensive "freshening pillows" that need to be purchased and added every 3 months.

WWTH-01

Wipe Warmer Ultra

Features a built-in Changing Light with auto shut off. Viewing Window assures that you will not unexpectedly run out of wipes again. The universal dispenser works with ALL brand wipes and locks in moisture too! Insulated container warms wipes from the top down to insure that you warm the wipes that you use, as well as prevent them from browning. Low voltage for added safety. Re-enforced top designed for "Original" and new "Pop-Up" style wipes. Holds over 80+ baby wipes. Best of all-no hidden charges like expensive "freshening pillows" that need to be purchased and added every 3 months.
